ADULT CO-REC VOLLEYBALL LEAGUES

The co-rec volleyball season is set to begin in mid-January. Leagues play on Monday, Tuesday, Wednesday, and Thursday evenings (some nights have multiple leagues on a night); with Monday nights being the most competitive league and the nights get less competitive as it gets later in the week (Thursday nights are least competitive with only underhand serving allowed). Please have your team play on the night you fit based on your level of play and not just the night that works for your players to play. This will help keep the leagues fun for all participants. Please note that players may only be a permanent roster player on up to two teams on adjacent nights, on the same night, or in the same league.

Due to the ever-changing situation with COVID-19, league plans may change. We are planning to have a full winter season. If the Recreation Division is unable to have the league or a portion of the schedule is cancelled, a full refund or pro-rated refund will be issued. Specific COVID-19 safety precautions may be in place, but they are to be determined based on the local situation and the Janesville School District's current policies at the time of play and will be communicated ahead of time to team managers by email through Team Sideline. All safety policies put in place must be adhered to by all players.

The **deadline for new and returning teams will be Friday, December 17th, 2021.** New teams will be placed in league openings on a first come, first served basis after the deadline, depending on the level of play desired and openings available. Please get your **roster and fees** in by the deadline so schedules can be sent out in a timely manner. Rosters not turned in on time may result in teams losing returning team status. A minimum of four teams per league are needed for the league to run. **Team fees will be \$195, which includes 10 permanent team players AND the substitute player fee, and an additional \$10 per player (over 10). The included substitute player fee means you can use subs (who are not listed on your roster) up to 6 times (multiple subs can be used in one night, but each one counts towards your 6-sub allotment) during the season.** Don't forget, we have a list of players looking for a team; contact our office if you are interested. **Games begin the week of January 10th, 2022.**

If you have any questions, comments, rule change suggestions, or want to get a better feel on the way leagues will be run, please feel free to call Sara Helgeson at (608) 755-3013 or email her at helgesons@ci.janesville.wi.us.

League communications will come through Team Sideline to Team Managers only and they are responsible to forward the information onto their teammates.

RAINOUT LINE

If weather is questionable, call (608) 447-4007 ext. 6, or sign up for email and text alerts here: <https://rainoutline.com/search/dnis/6084474007> or download the free Android and iPhone Rainout Line app to check the status of a game in the App Store or Google Play. Once the free app is downloaded, search for City of Janesville Recreation Division.
